

Saint Saviour Catholic Academy

September 22, 2023

Families,

I hope all of you are well and enjoying the first few weeks of September.

I am writing this letter to share the news that this academic year, 2023-2024, will be my last year at St. Saviour Catholic Academy.

As some of you may know, I started at SSCA as a teacher in the early childhood program over fifteen years ago. During my time at SSCA, I have had the pleasure and privilege of watching hundreds of students grow and develop into thriving, kind, ambitious, young adults. Many of these former students stop by on occasion just to say hello, and some even work in our after-school program. It is a joy to share in their successes and know that SSCA will always feel like a place they can return!

I have also had the distinct privilege and pleasure of working with an amazing faculty and staff in my years as a teacher, and as principal. Each person that works at St. Saviour Catholic Academy is incredibly talented and wants only the best for each and every student. I have been very fortunate to work and collaborate with such dedicated professionals.

Thank you to all our SSCA families for entrusting the care and academic programming of your child/children to us. Choosing a school that will best fit the academic, social, and emotional needs of your child is a serious undertaking, and we appreciate the faith and trust that you have placed in us as educators.

Thank you to the Board for their service to the school. SSCA would not be the reputable Academy it is without their support and cooperation. Thank you also to Father Frank and Father Kevin for their spiritual guidance and support of Catholic education.

It has been an honor to serve as principal of Saint Saviour Catholic Academy. I wish the entire SSCA community much success, and great things to come in the future. In the meantime, I look forward to an excellent year ahead full of learning, achievement, and successes for our entire community!

Sincerely,

Sue Walsh
