

## Saint Saviour Catholic Academy

May 14, 2024

Dear SSCA Families, Friends, Faculty and Staff,

We wanted to touch base with you to share that we are still working with all the candidates that visited last month with the hope of securing our next leader. As stated earlier, we had hoped to be ready for an announcement by now. The environment for talent is highly competitive; we are experiencing that firsthand. We continue to pray that these efforts will culminate in a new Head of School and ask for your continued patience and faith.

Simultaneous with the Head of School search, we are also searching for an assistant head/Principal position. For that position we have been working within the Diocesan network and our private contacts thus far. We are also posting a prospectus for that position. You will find it on our school website and school LinkedIn account. Please feel free to share it with your network as well.

In the meantime, we assure you we will have new leaders in place when school begins in September. Those in and around education continue to encourage our transitional goals, acknowledging that this is the best way to support the ongoing vitality of our Academy. We constantly strive to be better.

With God's blessings,
