

## Saint Saviour Catholic Academy

Dear Families, Faculty, Staff, and Friends of SSCA,

As circumstances would have it, you will all be bombarded with announcements just as you are saying “see you in September”.

Our search team has been busy reviewing resumes and interviewing candidates for our Principal position. As Dean Fusto’s expertise and interests make him more suited to the President role, and the Diocese is far more comfortable with the President/Principal model, our second administrator will be a Principal. As part of the interview process, the candidate will meet with faculty and staff. We hope to be able to give parents an opportunity to engage with our final candidate as well.

Dean has been engaging with the Board in this process and we hope to have this position finalized by the end of the month. Once the Board has determined whom to present to the Diocese and the Board of Members, there is a process at that level which takes some time. We will share that news when we receive offer and final approvals from the Diocese.

Sincerely yours,

Lenae Guarna  
Chair of the Board

Pam Hamingson  
Vice Chair of the Board
